

## **Joint Statement From Ambassadors to Myanmar**

We are aware that detainees in Yangon's Insein Prison staged a protest in part to raise awareness about the inadequate handling of the current COVID-19 outbreak in the facility. We urge the relevant authorities to resolve the situation peacefully and respect the basic right to proper healthcare for all those detained inside this and other prisons. We are following the situation closely as it continues to evolve.

*Signed by the Ambassadors, Chargés d'Affaires, and Heads of Mission from Australia, Canada, the Delegation of the EU and European Union Member States with presence in Myanmar: Czech Republic, Denmark, Finland, France, Germany, Italy, Netherlands, Spain, and Sweden; as well as Switzerland, Norway, the United Kingdom; and the United States.*
