

Statement by the Spring Revolution Interfaith Network

Date - 25 . 8 . 2021
Statement No- 2/2021

1. Today, August 25, 2021, marks a grim anniversary in the world's modern history and that of Myanmar: the fourth anniversary of the beginning of the fascist Myanmar military's acts of genocide committed against Rohingya and torture and oppression committed against Hindus, Mro, Thet, Khami, Maramagyi, Daingnet, and Kaman of Rakhine State. Today also marks the 206th day since the fascist military' unjust seizure of power from the democratically-elected government.

2. Our Spring Revolution Interfaith Network fully supports the National Unity Government's Policy Position on the Rohingya in Rakhine State, and we welcome the NUG's agreement to accept the International Criminal Court's jurisdiction with respect to international crimes committed in Myanmar.

3. We, the Spring Revolution Interfaith Network, strongly urge the international community to take action against those who have enjoyed impunity for their unspeakable atrocities against people of diverse ethnic and religious groups historically and through the present, in order to provide justice to victims of genocide in Rakhine State and victims of the current regime of terror in Myanmar.

4. We, the Spring Revolution Interfaith Network, deeply regret and apologize for our failures to speak out or work for the justice of the Rohingya who fled genocidal acts, and the Hindus, Mro, Thet, Khami, Maramagyi, Daingnet, and Kaman people in Rakhine State who also suffered atrocities at the hands of the fascist military.

5. We, the Spring Revolution Interfaith Network, hereby declare our strong desire to collaborate with revolutionary groups from all ethnic communities and religious entities in order to build a federal democratic country based on non-discrimination, freedom, justice, and equality for all.
