

**Student Union Representatives Committee  
Announcement Regarding the State of Affairs inside Obo Prison**

**Announcement (3/2021)**

**2021, August 10<sup>th</sup>**

On August 8, 2021, at about 9 PM., the Obo political detainees, who have been unjustly arrested, staged a protest against the lack of COVID-19 preventive measures and treatment inside the prison as a political movement marking the 33th anniversary of the 8888 Revolution.

The terrorist junta and those who are in charge of the prison brutally suppressed the protest with gun-fires and the use of military force and subsequently silenced information regarding the situation. The family of the detainees, the people all over the country partaking in anti-authoritarian movements and the international community are all very concerned about the safety and well-being of these political detainees who have been unjustly arrested and confined.

Regarding the protests inside Obo Prison, we make the following demands unwaveringly.

1. To unearth the truth regarding the current predicament inside Obo prison
2. To give access to COVID-19 preventive measures and treatment in all prisons in Myanmar, including Obo prison
3. To release unjustly arrested political detainees unconditionally and unexceptionally
4. To stop immediately the murdering of political detainees by using COVID-19 as a biological weapon.\

We urge the entire people of Myanmar, the international communities, the civil societies, the ambassadors residing in Myanmar and the international organizations to be vigilantly watchful of the status of access to medical care and other basic human rights inside prisons in Myanmar and to spread out helping hands by any means possible.
