

Statement of Strong Condemnation by 316 Karenni and Myanmar Civil Society Organizations and Revolutionary Groups on the Aerial Bombardment of the Bangkok IDP Camp in Phekhon Township, Karenni State, by the Terrorist Military Junta

Date: September 12, 2024

All ethnic nationalities and the entire people of Karenni State have overwhelmingly resisted the illegal coup by the terrorist military junta since February 1, 2021. The terrorist military junta has targeted civilians and brutally suppressed the non-violent opposition of the Karenni people with excessive military force.

At present, Karenni State is a state exercising its own sovereignty in accordance with the right of self-determination of a constituent state of the federal union. From February 1, 2021 to September 2024, the terrorist junta carried out **313 aerial** attacks against Karenni civilians, destroying civilian targets of **52 churches, 25 schools and 16 hospitals** and **killing 515 people**. On September 5, 2024, at around 9:00 p.m., the terrorist military junta launched an aerial attack and bombed the Bangkok Internally Displaced Persons (IDP) camp in Phekhon Township, Karenni State, killing **at least 9 civilians**, including children, and seriously injuring more **than 20 civilians** seeking shelter from the civil war. Civil society organizations in Karenni condemn the attack in the strongest possible terms.

In total, approximately **200,000 people** have fled their homes and the war in Karenni State due to the extremely violent attacks by the terrorist military junta. The military junta's attack on the IDP camp, where civilians live to seek shelter and refuge, is a blatant violation of the international laws of war and humanitarian law. We, the Karenni civil society organizations, consider it a crime against humanity and strongly condemn it.

The terrorist military junta has repeatedly carried out similar acts of violence against civilians not only in Karenni but also in Northern Shan, Kachin, Sagaing and Rakhine. We, Karenni and Myanmar Civil Society Organizations and Revolutionary Groups, strongly urge the international community to punish and immediately stop these daily acts of violence by the terrorist military junta against elderly women, pregnant women, vulnerable people, children and civilians in practical ways, and to stop selling jet fuel and ammunition to the junta.
